President's Message

As I look back on the first six months of this year, I want to reflect on all the positive things the Pacific Beach Town Council, with the help of other organizations, has accomplished. Starting with the Sundowners and the business mixers, which highlight our local businesses and restaurants, Graffiti Day with the help of the Pacific Beach Presbyterian Church, donations from Discover Pacific Beach and members of the Hospitality Task Force and businesses around town. Without their help the graffiti cleanup would not have been possible. The Safe and Beautiful Committee has been holding the monthly beach cleanup. Having the help of the bars and restaurants who provide food and water to our volunteers has made it a huge success. Discover Pacific Beach has also put together family and community events. Fun was had by all at the Bocce Ball tournament held at Kate Sessions Park. Also, more than three hundred residents and visitors were able to sample the wonderful food at the Restaurant Walk. The Hospitality Task Force sponsored a street cleanup. 175 volunteers were there to pick up trash and power wash the sidewalks.

Concerts on the Green is fast approaching sponsored by the Community Foundation and the Pacific Beach Town Council, so come with your family, picnic and blanket and enjoy the view and great music. Thanks to Mark Johnston for putting together the music for this great event.

By the time this goes to print the PBTC Wine Tasting event will have taken place. I hope that it was a good event so we can continue to provide scholarships and to help our community.

We still have a lot to do. BeachFest is being planned, the Christmas Tree Lighting Committee will be meeting soon and we all hope we will be planning a Holiday Parade. Also, the PBTC, Pacific Beach Women's Club and the PB Recreation Center will be hosting a Fall Festival. I'm tired just thinking about the next six months.

In closing, I hope you got the message, it takes a village to make Pacific Beach a great place to live and work. Let's all reflect on the positive instead of the negative. Let's move forward, working together and I think we will all feel better.

Have a fun and safe 4th of July!

Rose Galliher

Rebuilding Together San Diego (RTSD) is a 501(c)3 non-profit organization which provides free home repair and renovations for very low income homeowners who are senior, disabled, veteran and families with children. RTSD focus is on repairs that provide for a healthy and safe living environment and ADA accessibility for those who are physically and/or financially unable to make the repairs themselves.
