PRESIDENT'S MESSAGE

December was a very busy month, starting with the PB clean up campaign. It was a huge success thanks to all that volunteered. We also had a great Sundowner hosted by Home Bank of Calif. Wonderful food and great fun was had by all. The Dine-out at the Catamaran Hotel and Spa was another huge addition to our month, and last but not least was the first Christmas Tree Lighting at Crystal Pier that brought our neighbors out on a cold day to watch a beautiful program put on by children in our local schools. Thanks to Crystal Pier staff and the tree lighting committee on a job well done.

Wow, can you believe the year is over? I'm looking forward to working with our new team this year. Our new board will be busy planning a new year with many new events and, as members, you're invited to participate as much or as little as you would like. We have something for everyone from graffiti and beach clean up to concerts and parades so please join a committee that interests you and make some new friends in the process.

The new 2010 Board of Directors would like to wish you a Happy New Year.

Rose Galliher
PB Town Council President
