FEATURE PRESENTATION: Non-Toxic San Diego represented by Anne Jackson and Teresa

Craig, volunteers working to educate District 2 constituents and campaigning the City to adopt an Organic Integrated Pest Management policy for our parks, schools, and open spaces.

Achievements: SD Port Authority now uses standardized signage for pesticide/herbicide spraying and SD Parks Dept is onboard with the help of Non-Toxic.org and have 3 pilot parks in San Diego (Nobel Athletic Field/Park, Liberty Station NTC Park, and Azalea Park). Anne and Teresa request community support by writing elected officials.

Audience Questions/Comments: Jay Libs asked about cost of organic policy vs. city use of herbicides and pesticides. Anne encouraged use of Non-Toxic Irvine website for cost analysis.
